Accessories

	MSE-001	Microsoft™ Optical wheel mouse. Features Left and Right buttons along with a center scroll wheel. Available with PS/2 and USB interfaces.
	SHF-001	Provides a hinged 7" x 9" flat surface for mouse use. Attaches to either right or left side of the RKV-XX1 chassis. Hinges easily attach via 4 screws (supplied) so shelf can be folded for storage.
	CMS-001	Cable management arm attaches to rear of unit and slide. Keyboard, Mouse, Video Cables, etc. are easily attached to arm via cable ties. Keeps cables from becoming entangled in other equipment.
